PRESIDENT! WE SHOULD INTERROGATE MORE!
WE MUST FIND OUT IF HE'S COMITTED CRIMES OTHER THAN EMBEZZLEMENT
THERE MUST BE MORE.
Almost all of the stolen money is still there.
Maybe... he has returned it.

What is your reason for doing this, Mr Nobok? The company never mistreated you.
President!
WE'VE WORKED HARD FOR THE COMPANY
YOU'RE THE PRESIDENT. I'M A DIRECTOR THE FUTURE HAS BEEN ARRANGED LIKE THAT
I INTRO-DUCED YOU TO MY DAUGHTER IN THE HOPE THAT YOU'D MARRY HER.

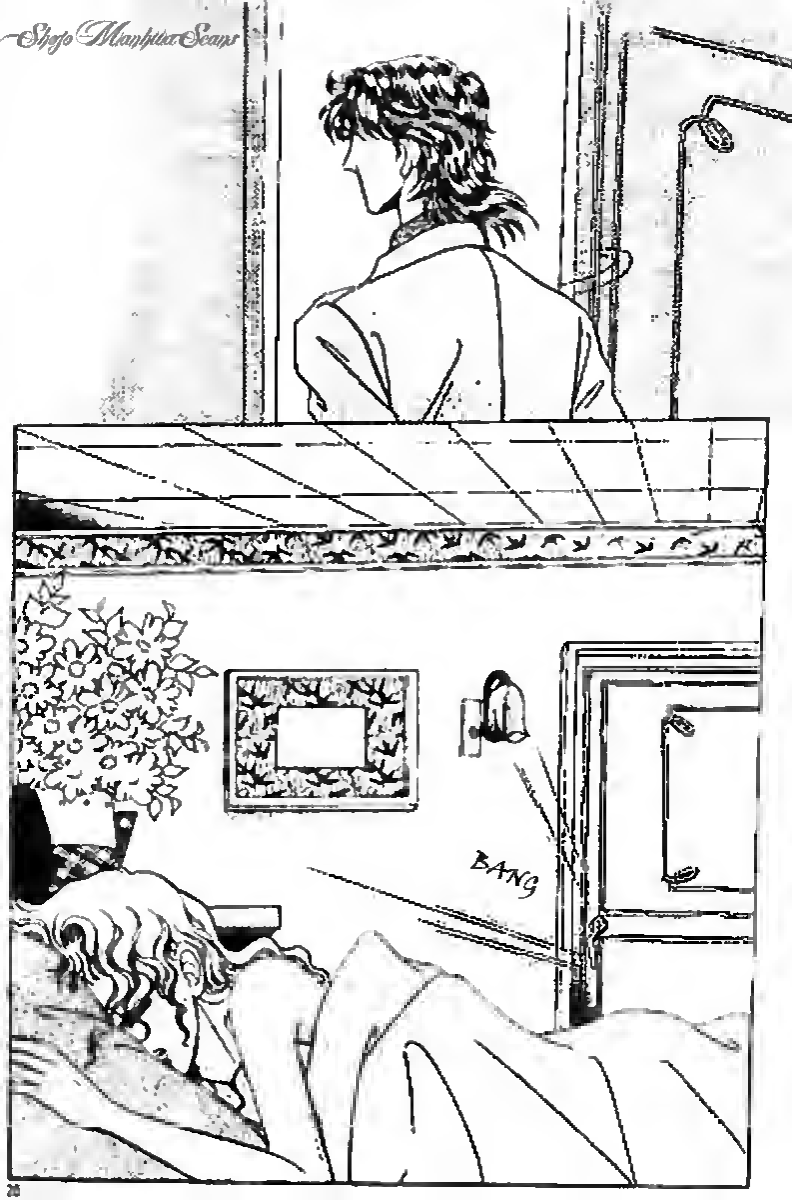
Shojo Manga Scans

BUT FOUR MONTHS AGO I FOUND OUT THAT YOU SECRETLY MARRIED ANOTHER WOMAN
EVERYTHING WENT UP IN SMOKE!
DO YOU HAVE ANY IDEA HOW SHOCKED I WAS?
My God! Why? Of course it's for the companies' development
WHAT REASON DID I HAVE TO WORK HARD FOR THIS COMPANY? IT'S NOT MINE, SO I TOOK MY SHARE.

I ALSO WANTED TO TORTURE THE WOMAN WHO STOLE MY DAUGHTER'S HAPPINESS!
That troublesome woman.
Nora!
I had no intention of marrying your daughter
You hinder my work
It must be you and no one else.

HAD NO INTENTION? YOU BASTARD!
DAMN IT!
You can say it when you're in court.

Shojo Manhua Scans



BANG

Who's the woman in my room?
She came to find you, Mr Ralph O'Donnell.
So I showed her to your room.

Shojo Manga Scans

Are you joking? I'm not married!
It can't be... possible
If you say so...
But her name is Nora O'Donnell
Who?
Nora O'Donnell.

Hum... When did I fall asleep ?
Did he come back Mr. J?

Shôjo Manga Scans

Am I dreaming?
How is Nora O'Donnell here now?
I chased after you.
I came here because I have something important to ask you. Where were you? Why did you come back so late?
What happened to your face? You said there were difficulties. Is it..
Nora! Nora

About the company's management problems...
I'll tell you later. You said there was something important?
Oh!

I have something to tell you
What thing?
What does she want to say .?
This strange woman..

This strange woman..
I want to tell you that I love you, Ralph.
Ralph.
A cold wife..
I said it
I really said it!
I confessed!

I wonder what he's thinking What's on his mind?
I wonder what he's thinking What's on his mind?
I wonder what he's thinking What's on his mind?

.....

I know that confession is not true but...

I knew it!

TENSE

Even so...

It makes me happy
It was difficult for you to say this
That makes me happy

Though it's a lie...
But I'm happy
I don't want a divorce, Ralph.
Am I glad to know that? Even...Even knowing it's a lie?

I love
you....

I lied.
Did Ralph really say that he loved me?
So happy!

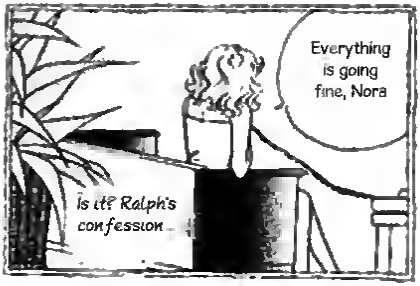
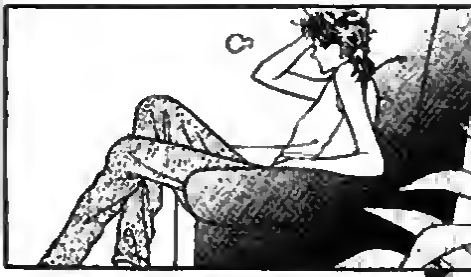
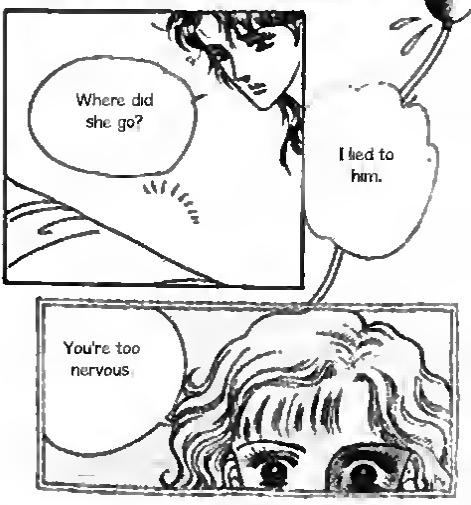
I'm so happy

What do I do?
Lisa. I'm so confused...



Everything is going fine, Nora
Is it? Ralph's confession





Where did she go?
I lied to him.
You're too nervous.

You're lucky! Most cold men would dismiss the women before getting to know her.
But they won't refuse her when she comes back.
Yet, they refuse to approach a woman!
huh?
Are you listening?
I...
I feel so guilty.
So... so guilty.
DON'T SAY THAT, NORA.

Why are you feeling guilty? They say that you must fight for love.
I don't love him...
YOU LIKE HIM.
AS A FRIEND, AS A HUSBAND, AS A SUPERIOR.
BUT 'LOVE'....

I love him.
This time I mean it!
Why am I just realizing that now?

Nora, I'm surprised. What should I say?
It's just that I'm too naive
I'm just her cover..
Her heart belongs to another man.

It's too late
It's already too late,

You're really stupid, Nora O'Donnell!
I love you...
But you're looking at another man

You're also foolish, Ralph O'Donnell!
You didn't taste the apple Eve had in her hand.
All right. I'll keep saying it until he believes me.
I'll tell Ralph I love him

She'll be hurt if she knows I eavesdropped
She's troubled by the feelings of guilt
Keep it a secret until then.

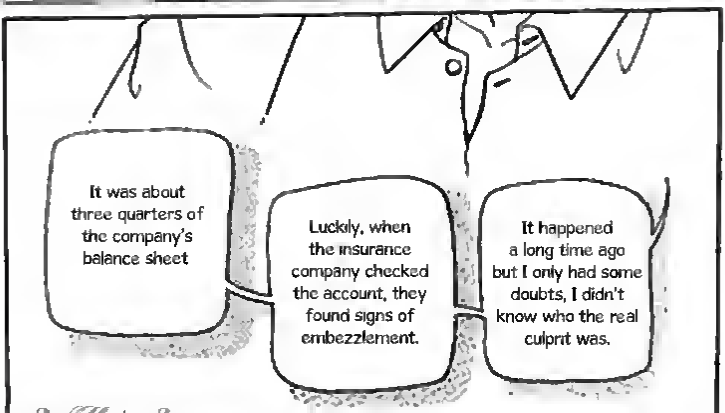
Your disappointed face is so cute!
Just kidding, I'm worried about you.
Anyways, it's not pleasant being called Nopok, one of the directors embezzled from the company.



It was about three quarters of the company's balance sheet
Luckily, when the insurance company checked the account, they found signs of embezzlement.
It happened a long time ago but I only had some doubts, I didn't know who the real culprit was.

Step Manhwa Scan

I myself was inspected too..
Because the president is always the first suspect
Then they found Nopok most likely as he dodged all the questions
From then on,
they followed his accounts and caught him. He confessed it all yesterday
There's a trial in a month, he'll go to jail.
You bastard!
Is there anything else? He looks grim.
Director Nopok.....
I haven't heard of him.
He's head of sales
So you never met him

.....
I don't know him but I suppose he's rich. Why would he do that?
It's just desire for more.
Some time ago, I dated his daughter. He thought I'd be his son in law, but when he found I was married, he was furious
He wanted to control the company through his daughter...
WHAT?! YOU'VE BEEN IN LOVE WITH HIS DAUGHTER?!

My innocent Eve is showing her claws
Sorry, but it was...
Before our marriage I don't even remember her name now

Wait! Then...
That's right.
The one who's been torturing me in the company wasn't you!
The one who rejected your report was him.
Since he hates you.
WHY DOES HE HATE ME?! IT'S NOT LIKE I WANTED TO MARRY YOU!
Every father is like that.

Is that so?
You've done well
Thankyou, sir Since it's the President's orders. I'll work even harer
I doubted you Ralph.
Thankyou.

What happened that July? Did you two argue or...
You don't know either?
Ah, I think you know

Oh?
Is it Peter Ganen? The one who committed suicide?
Ah...
She went off to find a person named Peter in Bahamas.
She said she's going to comfort his mother..
Of course that was when she left, but...
You're not planning to find her? I don't understand...
I even asked her to return, but
She left and never come back.
It's been 6 months...?
You know where she is
If she suddenly disappeared, why don't you look for her?
It strange! Everyone..
thought that you two argued or .. she left because of some other reason that she couldn't explain..
Why do I have to look for her?

She left to find the man she desires!
Ha? What did you say?
After she left on the 16th, she did not contact me at all. Not even a phone call
I can only wait. Wait until she clears her mind and comes back.
She doesn't know that I knew about her conversation with you and about the person she loves is Peter

I've been waiting for the past six months
Even though I am confident that I love her more than anyone.
But I don't want to hold on to a woman who can't figure out her own feelings.
Of course I know that she is staying at a hotel in Bahamas.
She... can't tell me the truth...
because I confessed that I loved her.
She's not coming back.
To realize that you love someone after they died must be a big shock.
That means Nora is in Bahamas. Oh God.. So sad!

Poor Nora.
to be misunderstood like that...
That's why I said that she shouldn't keep it as a secret.
You.....
Assumed that and still waited? Oh my God, Mr. Ralph!

Yes... you should understand me, Nora
You're very thoughtful
You worried that I'll be hurt right?
Even though your son is not here...
you still take care of me.
I very grateful of you.
